**ORDER**

**BEFORE THE COURT** is the trial in this matter currently scheduled for November 1, 2021. For the reasons stated herein, the time to try this case is extended up to and including May 9, 2022.

In response to the current conditions in the COVID-19 pandemic, the undersigned, as Chief Judge of the District Court of the Virgin Islands, issued a general order concerning operations of the Court on September 30, 2021, suspending all jury trials through October 31, 2021.<sup>1</sup> The Court hereby fully incorporates the findings from the Court's Twenty-Seventh Operations Order as fully stated herein.

To date, the COVID-19 virus has claimed more than 741,000 lives in the United States (81 of which have been in the U.S. Virgin Islands). COVID-19 continues to present an unpredictable threat to public health and safety, as shown in the recent surge in COVID-19 cases both in the continental United States and the Virgin Islands. As a multi-defendant case, this case presents significant challenges for the Court to comply with social distancing guidelines during the jury trial. Practical considerations would require additional spacing for Defendants, counsel, and jurors—and the potential for additional jurors in the courtroom. As such, the Court finds that extending the period within which Defendants may be tried under the Speedy Trial Act is necessary for the protection and well-being of the Defendants,
